

4x3 Single Sided Pop-Up Wall (Curve)

Quick tip

- * All Critical text and images should be within the green area (panel 2, 3 & 4 & 5). Due to endcaps being curved to the back of the stand, keep endcaps clear of text as it will be obscured when set up.
- * Please make sure that blocks of text and crucial images do not cross the break between panels. All effort will be made to align artwork between panels as much as possible; however if wall unit or display design allows for panel breaks then any small movement in alignment will be visually minimized.
- * Artwork must be supplied in 1 piece
